

Report on Turkey Rubber Expo 2016- Istanbul, Nov. 24 to 27, at TUYAP

TUYAP Rubber 2016 fair was conducted from 24th to 27th Nov. 2016 in the famous erstwhile Capital City of Turkey, the Constantinople, presently the commercial cultural and industrial capital of historic Ottoman Turkey which is also a renowned tourist destination. Istanbul is also famous manufacturing hub of Auto/ Rubber/ Plastic industries; it is also the gateway to Europe from Asia. We see a mixture of religious and secular, ancient and modern culture in this city.

The fair was organized by TUYAP fair convention and congress centre, Istanbul, Turkey with the title, Istanbul Rubber Industry Fair, 2016. TUYAP Rubber 2016 is known as the Europe's only dedicated Rubber Industry, in collaboration with the Union of Chambers and Commodity Exchange of Turkey.

Rubber Producers, processors and manufacturers including dealers and exporters from every nook and corner of the world participated in the fair. India was designated as the country of honor, awarded with a special pavilion having VIP status, the host country recognizing the "Make in India" campaign. The "Capexil" the product manufacturers, and exporters from India occupying the prominent location of the Hall No. 7, displaying products and services in about 24 stands. Major members of the "Capexil" joined in their part of exhibition. Ours were a small pavilion admeasuring 9 m² in hall no. 7 with the number 745.

The pavilions were distributed in 14 halls (salon in about 30,000 m²) exclusively for Rubber Machinery, Chemicals, Accelerators related to Rubber Industry end products like tyres, automobiles, earthmovers, on and off road vehicles agri-machinery, hydraulic/ pneumatic machinery and equipments, raw materials like sheet/ crump rubber, latex, (both SR & NR) etc. etc.

All major producing / manufacturing & consuming were participants of the TUYAP Fair along with almost all manufacturers/ processors/ inducers in the sub-continent of Turkey.

Countries participated 1- 20- List attached as Annexure – A

Visitors from all over Asia and Europe expressed keen interest in the Fair which included traders, manufacturers, brokers, academicians & students. Over 400 exhibitors from various part of the world participated in the exhibition with their stalls having sophisticated stalls, spending heavily on the setting up of stalls admeasuring thousands of square meters.

The Rubber Board's stall- Our stall was no. 745 in hall no. 7 in a m² cubicle with exhibits like sheet rubber of all grades, block rubber with hundreds of samples, of each one different form. Posters, charts, leaflets, brochures, write-ups and exporters directory aided by TV/DVD film show made by our Marketing division on branded Natural Rubber only from India with assured quality. The stall was set up and managed singly by me without external or internal assistance on all the four days of the show from 24th to 27th Nov. 2016.

Many genuine visitors representing buyers, sellers, manufactures, and inducers called on our stall and expressed interest on our branded NR, especially the superior grade sheets. List of visitors who exchanged visiting cards as a mark of real interest on our branded NR with certified quality by Rubber Board is given hereunder.

List of Visitors attached as Annexure – B

Outcome: - For the branded NR especially the higher grades like RSS 1 X which is very new to the Turkey manufacturers, there could be good demand especially when international prices are rolling above Indian prices, we will be able to encash this opportunity and capture East Asian, European and Western market cashing on the price difference and better quality. Exporters and manufactures of India shall also make use of this golden opportunity to make Indian NR world famous so also the Indian Rubber products versatile under the Make in India project. List of visitors who expressed interest on buying NR may be made available to the prominent exporters from India, to enable them to negotiate with buyers from abroad.
