Vide references cited, it was informed that CBIC has introduced Single Window Interface for facilitating Trade (SWIFT) with an objective of integrating Customs and other Participating Govt. Agencies (PGAs) for flawless processing of import and export clearances. Vide Circular No.13/2019-Customs dt. 03/06/2019, beneficiaries are instructed to register with ICEGATE so that further processing of for export/import documents will be done through e-SANCHIT portal from 01/07/2019. Hence all importers and exporters are 'once again requested to complete ICEGATE registration without any further delay. The process flow for IEC integration is as follows:

Step 1: Click the Simplified Registration link in (www.icegate.gov.in).

Step 2: The registrant shall provide IEC, GSTIN and temporary password sent from ICEGATE.

Step 3: The user needs to register an ICEGATE ID and password of his/her choice. Email ID and mobile number will be auto populated. The ICEGATE ID should be unique and follow the nomenclature provided in this web page. The password shall be a combination of numbers, special character and different cases.
